Docket No. 98N-1265-24 P151
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: Using a pharmacy that ships a
specialized compound to me is not only
convenient but important to balancing the
hormones in my body at this stage in
my life. I feel much better because
of it.
